
London - England

16/17 November 2007:

This year the English language school Language in London – TANDEM London as a member of TANDEM International was host to over 20 language schools from across Europe (France, Germany, Ireland, Italy, Spain) and Canada - all members of the **TANDEM International network**.

On Friday there were several workshops in the morning, where representatives from different TANDEM schools shared ideas on marketing, websites, quality control and European Union initiatives:

Workshop Program

Maintaining existing contacts to Agents

(Enzo Consentino – Torre di Babele – TANDEM Rome, Italy)

Quality management

A short presentation followed by discussion about the future of TANDEM International quality inspection process. (Henning Prüss - TANDEM Hamburg, Germany)

Internet Tools

(Margret Fortmann – Escuela Montalbán – TANDEM Granada, Spain)

Schoolman Database for Language Schools - NEWS

(Werner Riebe - CASA e.V. – TANDEM Bremen, Germany)

Image/Profile initiative

New ideas about a mission statement for TANDEM International (Open Forum)

«Immer in Bewegung» - a European Project

(Werner Riebe - CASA e.V. – TANDEM Bremen, Germany)

Grundtvig Planning Group

(Project partners only)

This was followed by an **informal agents meeting** at Language in London on Friday afternoon. Agents visiting received information about all TANDEM International member schools.

On Saturday TANDEM International held the **Annual General Meeting** and discussed the exciting future of the network.
